Short description of business idea (max. 500 signs including spaces)

All team members, including the mentor, have read the regulations and additional information published at https://www.bigc-initiative.eu/documents/gbib_regulations.pdf and accept the terms and conditions. Team members are aware, that the organising institutions will select ten teams per country eligible for participation in the competition based on the short description of the business idea and the evaluation criteria named in section 2.4 of the regulations and additional information, for the case that more than 10 teams register until the deadline. All teams will receive confirmation or cancellation of participation until 25 March 2019.

Please send this PDF filled in completely to kriebs@clib-cluster.de. Registration deadline is 17 March 2019, 23.59 CET. All registrations send after this deadline cannot be considered.

The G-BiB is hosted by Bio Base Europe Pilot Plant and Flanders Biobased Valley in Belgium and Cluster industrielle Biotechnologie in Germany.

The project is supported by the German Federal Ministry of Education and Research and the Interreg North-West Europe Project BioBase4SME.
